The Essential Math Skills workbook will help you improve your mathematical reasoning, giving you new ways to think about and understand math. Math sometimes seems difficult because it appears abstract, but this book will help you recognize and work with applications of math, from personal finance to science.

Essential - GED Academy

Finding the Unit and Lesson Numbers. Everyday Mathematics is divided into Units, which are divided into Lessons. In the upper-left corner of the Study Link, you should see an icon like this: The Unit number is the first number you see in the icon, and the Lesson number is the second number. In this case, the student is working in Unit 5, Lesson 4. To access the help resources, you would select "Unit 5" from the list above, and then look for the row in the table labeled "Lesson 5-4."
