Macmillan: Series: A Golden Guide from St. Martin's Press The full title of this book is "A Golden Guide To Environmental Organizations". With a title like that you would think it is indeed a Golden Guide. But it does not belong in the series for several reasons. First of all it has no illustrations. What it does have is a four page section with photos of Golden Guides available. The rest of the book ...

All About Golden Guide Paperbacks The Golden Field Guides are a series of larger pocket-sized books that were created by Western Publishing and published under their "Golden Press" line, as a related series to the Golden Guides. Edited by Herbert Zim and Vera Webster, the books were written by experts in their field and illustrated with a simple straightforward style. Unlike the Golden Guides, the Field Guides went more in-depth, being more aimed at the high school/college level. They also had sturdier covers, obviously intendin

Golden Field Guide - Wikipedia The following codes are the type of guide that the cover or back cover states. Later printings changed to just Golden Guide.
