Guided Reading and Study Use Target Reading Skills Sample answers: Q. What does technology have to do with sci-ence? A. Advances in technology contribute to advances in science. Q. How does science affect technology? A. Advances in science contribute to advances in technology. 1. Technology is how people change the world

~~Guided Reading and Study Workbook~~  
Ocean movement is created by the governing principles of physics and chemistry. Friction, drag, and density all come into play when describing the nature of a wave, the movement of a current, or the ebb of a tide. Ocean motion is influenced by occurrences here on Earth that are familiar, like heat changes and wind.
