OK! is a British weekly magazine specialising mainly in royal and celebrity news, with many showbiz exclusives. Originally launched as a monthly, its first issue was published in April 1993. In September 2004, OK! launched in Australia as a monthly title — the magazine went weekly in October 2006. In 2005, a US version was launched, followed by an Indian edition in May 2006, a Spanish ...

OK! is okay. I lost interest in this magazine
and others similar to it. I don't know most of
the people referenced in the magazine and I
really don't care for any who are featured. I

guess I've moved on. However, this and other mags offer readers the opportunity to either feel really good about their life or to internalize the info and become ...
