Check out the official patch notes for the July 6 Horizon Forbidden West update, which brings the game to version 1.17 with plenty of fixes.

Horizon Forbidden West Update 1.17 Patch Notes Today (July 6)

"The Princess" starts bumpily, hitting branches on the cliché tree with medieval-y flutes and mediocre CG castle environs. It gets cringier as we fly through a tower window to find the titular ...

Review: In 'The Princess,' Joey King slashes the patriarchy and rewrites fairy tales

The Forbidden Door pay-per-view event went down at the United Center in Chicago last night. Tony Khan claimed the joint venture between AEW and NJPW did ...
