What I wish someone had told me when I became a carer ...  
Instead, I am going to use the next few paragraphs to tell you what I wish someone had told my parents, and that might mean that someone else's battle doesn't last as long as mine had to. From personal experience, I can only speak about anorexia, orthorexia and bulimia; but I hope that in general, most of this content will be applicable to all forms of eating disorders.

What I Wish Someone Had Told My Parents - FEAST  
Here are 18 things I wish I had known: 1. Grief is not five neat, little stages that has an end point. It's more like a bowl of spaghetti that is confusing, ugly, and messy.

18 Things I Wish Someone had Told me About Grief  
There are things I wish people had told me before I had children. (AHEM, Mom and Dad?) This is not to say that my overall decision to have children would have changed had I been made privy to these pearls of wisdom, but if I'd been properly warned, I could have prepared better, and likely been happier.

5 Brutally Honest Things I Wish Someone Had Told Me Before ...  
What I wish someone had explained When I was learning, three related concepts confused me. I tried to figure them out on my own. But, because I didn't understand what I didn't know, I'd end up searching for the wrong thing.
