In 1940 the family ranch provided a bumper crop that allowed her to start college in Minnesota, by far the furthest she had ever been from her parents and the ranch.

**Winter Wheat by Mildred Walker - Goodreads**

Mildred Walker can make you know and feel the earth and the wheat. She can evoke almost tangible heat and cold - "Book Week". For this Bison Books edition, James Welch, the acclaimed author of "Winter in the Blood" (1986) and other novels, introduces Mildred Walker's vivid heroine, Ellen Webb, who lives in the dryland wheat country of central Montana during the early 1940s.

For these reasons, Mildred Walker ’s 1944 novel Winter Wheat appealed to me. Winter Wheat chronicles two years in the life of Ellen Webb. Growing up on a dry-land wheat ranch in central Montana ’s Big Sky country with a Russian-immigrant mother and New England-patrician father, Ellen understands hard work, relative social isolation, and a life lived at the mercy of the weather and the price of grain.

by Mildred Walker 1 September is like a quiet day after a whole week of wind. I mean real wind that blows dirt into your eyes and hair and between your teeth and roars in your ears after you ’ve gone inside. The harvesting is done and the wheat stored away and you ’re through worrying about hail or drought or grasshoppers.

Find Winter Wheat by Walker, Mildred at Biblio. Uncommonly good collectible and rare books from uncommonly good booksellers

**Winter Wheat by Walker, Mildred - Biblio**

Book Review: Winter Wheat I can't imagine why, in all my years of high school, college, and graduate school as an English major, I had never heard of Mildred Walker. Her writing is entirely along the lines and quality of Willa Cather and Wallace Stegner--OK, maybe not quite as spectacular--but pretty darn close.

WINTER WHEAT by Mildred Walker RELEASE DATE: Jan. 20, 1943 This has so much to recommend it that it may seem petitfoggng to limit enthusiasm by acknowledging that it is unduly slow-paced, almost to the degree of laboring the point. Ellen's roots were deep in the Montana wheat country where she was raised.
